

Best Practices of Selection Interview

Nowadays, organisations are striving to attract top performers through various channels. Yet, finding **high-impact means** for selecting the right employees is equally important.

Highlights

- Common Selection Methods (e.g. Objective Assessment Tools, Interview, Assessment Centre, etc.)
- Virtual Interview vs Face-to-face Interview
- Preparations Needed before Conducting Virtual Interview
- Structuring Individual / Group Interview
- 8 Common Types of Interview Questions
- Developing Competency-based Interview Questions
- The Way Forward: Introducing the Candidate Relationship Management (CRM) Concept
